

Abstract

The abstract section is compulsory. It should briefly summarize the main points of your thesis, including the research question, methodology, results, and conclusions. Depending on the university and department, it should not exceed the defined word limit and should be concise and clear.

Sammendrag

Sammendragdelen er obligatorisk. Den skal kort oppsummere hovedpunktene i oppgaven din, inkludert forskningsspørsmål, metodikk, resultater og konklusjoner. Avhengig av universitet og institutt, skal den ikke overskride den definerte ordgrensen og være konsis og tydelig.

Preface

Mention in a paragraph that the thesis was submitted for the partial fulfillment of the requirements for the degree of **Doctor of Philosophy** or *Philosophiae Doctor* at **University Name**. Include the time period during which the work was carried out, the department work was carried out. Include the **First Supervisor**, **Second Supervisor** and the **Funding Agency** and **Project Name** (Grant No. **Grant Number**).

Acknowledgements

Acknowledge supervisor, co-supervisor, colleagues, friends, and family.

The thesis. Helsø, 2020 is the original author of the template of this thesis, licensed under the MIT license¹. And Dipendra Pant customized it in 2026 for his **Norwegian University of Science and Technology** thesis at **Doctor of Philosophy**, which are also licensed under the MIT license.
